A BEAUTIFUL HEAD OF RICH GLOS-SY HAIR, COMPLETELY PRESERVED TO THE GRE TEST AGE -And who that is grey would not have it restored to former color; or baid, but

would have the growth restored, or troubled with dandruff and itching, but would have it removed, or troubled with scrotula, scald head, or other eruptions, but would be cured, or with sick head ache, (neuralgia) but would be cured. It will also remove all pimples from the face and skin. Prof. WOODS HAIR RESTORATIVE will do all this, see circular and the following ANN ARBOR, November 5, 1856 .- Prof. O. J. Wood-Dear Sir -I have heard much said of the wonderful effects of your HAIR RESTO-RATIVE, but having been so often cheated by quackery and quack nostrums, hair dyes. &c., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedies, until 1 met you in Lawrence county some months since, when you gave me such assurance as induced the trial of

your Restorative in my family-first by my good wife, whose hair had become very thin and entirely white, and before exhausting one of your large bottles, her hair was restored nearly o its original beautiful brown color, and had mickened and become beautiful and glossy upon, and entirely over the head; she continues use it, not simply because of its beautifying effects upon the hair, but because of its healthresign the Governorship of Kansas after the ful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidently recom mend its use by all who would have their hair restored from white or gray (by reason of sickness or age.) to original color and beauty, and by all young persons who would have their hair

beautiful and glossy. Very truly and gratefully yours. SOLOMON MANN. FRIEND WOOD :- It was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Mrs. Mann's hair, as the surest test of its power. It has done all that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it. Again, very respectfully and truly, yours, SOLOMON MANN.

CARLYLE, ILL., June 28, 1852 — I have used Prof. O J. WOOD'S HAIR RESTORATIVE. and have admired its wonderful effects. My hair was becoming, as I thought, prematurely October next, closing on 15th July following, in gray, but by the use of his Restorative it has conjunction with Messes J. G. CLARK and resumed its original color, and, I have no doubt, permanently so. S. BREESE, ex Senator, U. S. O. J. WOOD & CO. Proprietors, 312 Broadway, N. Y., (in the great N. Y.
